PROFILE

- Passionate Front End Developer with a primary focus on React, currently located in Salvador - BA, Brazil.
- I'm happiest when I'm learning, creating and solving challenges, and I would love to work for a team that shares the same passions as me, also open for freelancing opportunities.
- While I may be new to the industry, my enthusiasm for learning and dedication to delivering high-quality solutions drive me to excel in every task I undertake.

SKILLS

- HTML & CSS
- Javascript (ES6+)
- Tailwind CSS
- React
- PHP
- MySQL
- Wordpress

EDUCATION

- **Interdisciplinary Bachelor in Science and Technology** 2018 - 2022
Federal University Of Bahia
- **Computer Science** 2023 - PRESENT
Federal University Of Bahia
